THE WETROOM SPECIALIST

Shower Doors

Outstanding half height shower door solutions for every care sector installation

Impey shower doors - the best in the industry.

They set the industry benchmark since 1990 and now they're an even smarter choice to specify.

Designed, developed and manufactured by Impey in the UK, the new ranges provide outstanding innovative features for both user and carer and those in the care sector - from Occupational Therapists specifying for private and sheltered homes to Technical Officers looking for quality and affordability when pricing for care homes and new builds.

There is no better half height shower door.

Impey provide everything you need for a high quality wetroom installation

Solutions to suit every healthcare installation, improving the lives of thousands of people every year

Special and bespoke sizes available in both ranges

Unbeatable customer service offering order processing and technical support plus installation training

Sliding & folding shower doors

Designed for the Care Sector

Easier fitting, easier opening and easier cleaning.

Re-designed for all:

Arthritis sufferers - Operating the doors requires minimal grip

Visually impaired - Contrasting colour schemes provide optimum visibility

Carers and users - Smooth, quick and easy to open mechanisms

Infection control - Unique market leading wipe clean surface layer with no dirt traps

Safer to use - Folding door hinges are fully enclosed, eliminating any risk of finger trapping

Shatterproof - PETG panel construction for guaranteed safety

Dementia sufferers - Non reflective panels provide cognitive calm

Designed and
manufactured to
the highest standards
for safety and
durability

CE tested to
BS EN 14428
