## Tennessee Walk-in Bath

The Tennessee bath gives the ultimate in easy access bathing. Uncompromised low level entry combined with a comfortable seating position and unique easy reach waste release.

The midi sized Tennessee offers great benefits with a stylish minimal design suitable for any bathroom.

### Key Features

- Lowest threshold of all our walk in baths, enabling easy entrance and exit
- Unique waste design, released whilst in a seated position
- Easy lift bath door for additional peace of mind for safety
- BioCote antimicrobial protection built into every bath ensures hygiene and durability are paramount
- Integral slip-resistant base to reassure vulnerable users when standing
- Thoughtfully designed seat, ideal for comfort and hygiene
- Outward opening door with concealed chrome door lever

### Fill Options

#### Autofill – factory fitted

- Fill your bath at your leisure from a seated position by easy to use touch buttons
- Bath automatically stops filling at a set point, so there is no worry of overfilling
- Chrome spout is located safely at the end of the bath
- Thermostatically controlled as standard

#### Lever taps and TMV

- Chrome lever taps with thermostatic valve included

### Sensory Options

- 16 Jet Air Spa – adjustable fine bubble massage
- Chromatherapy coloured lights to improve the mood and restore well-being
- Sound System – compatible with mobile device
- Sensory control panel, combining both air spa lights with additional functions

### Additional Options

- **Heated Seat** – additional warmth while the bath is filling and emptying
- **Overbath shower screen** – a glass shield for showering
- **Cosmetic Box** – Quick and tidy solution when replacing a full length bath with a walk in bath
- **Colour Options** – This bespoke service allows the Tennessee to manufactured in any colour the customer requires, to suit their current suite or décor
- Left Hand or Right Hand models
- End panels options
